

# Welcome to a **better** banking experience.

The Northumberland National Bank's Online and Mobile Banking has a new look and feel! Here are some tips and tricks to get you started. If you need assistance, please call us at 888-877-6623.

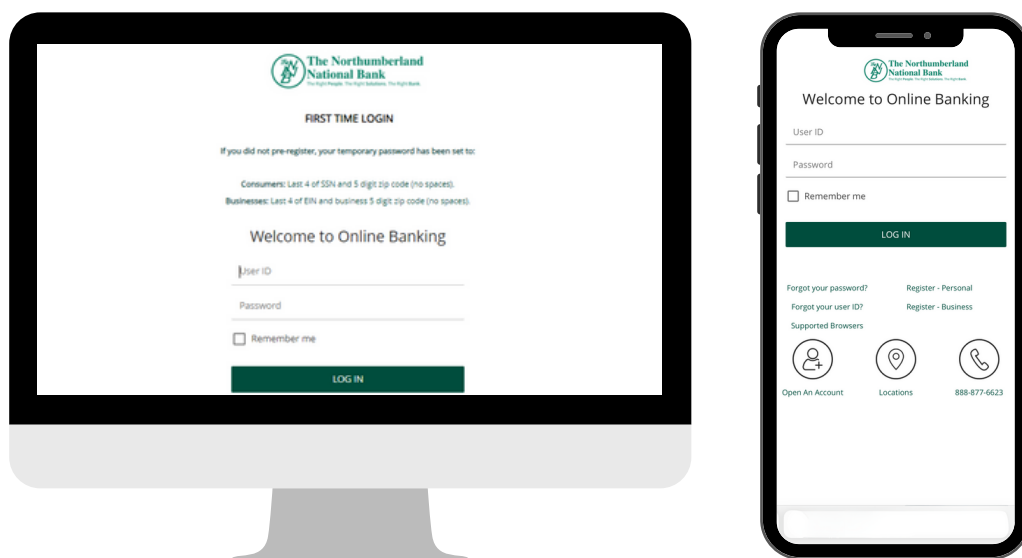

## Online and Mobile Banking Login Screen

Both consumers and businesses will see the same login screen. If you did not pre-register, your temporary password will be set to:

Consumers: Last 4 of SSN and 5 digit zip code (no spaces)

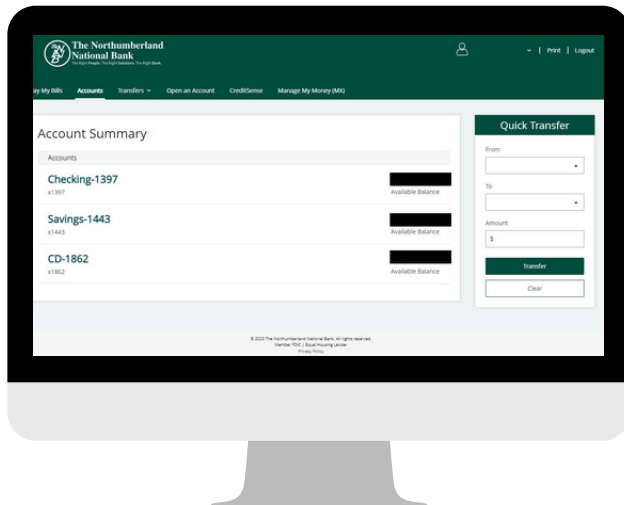

Businesses: Last 4 of EIN and business 5 digit zip code (no spaces)

Login here: <https://secure.myvirtualbranch.com/NorryBank/signin.aspx>

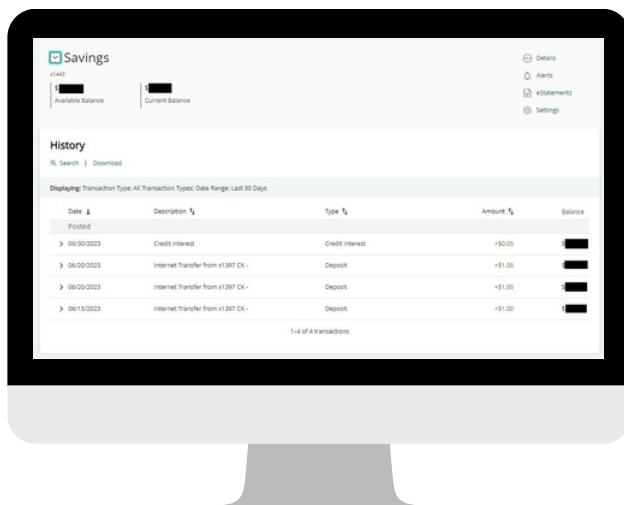

## Account Summary

Get a quick glance at all your Norry Bank accounts on the same screen.

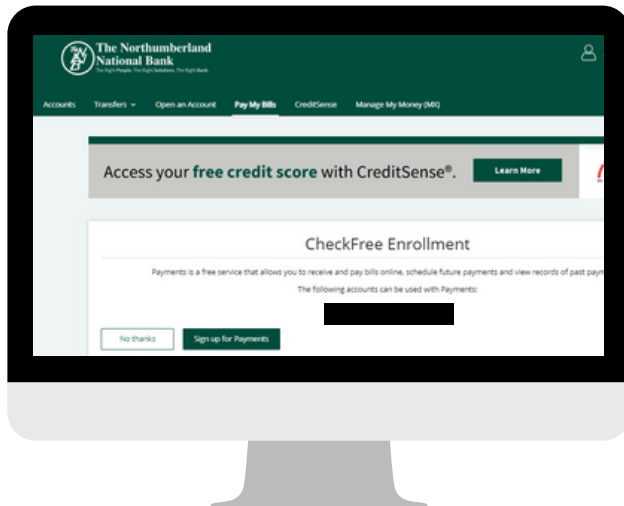

## Account Details

See the details for each of your accounts, including your available balance, current balance and recent transaction history.

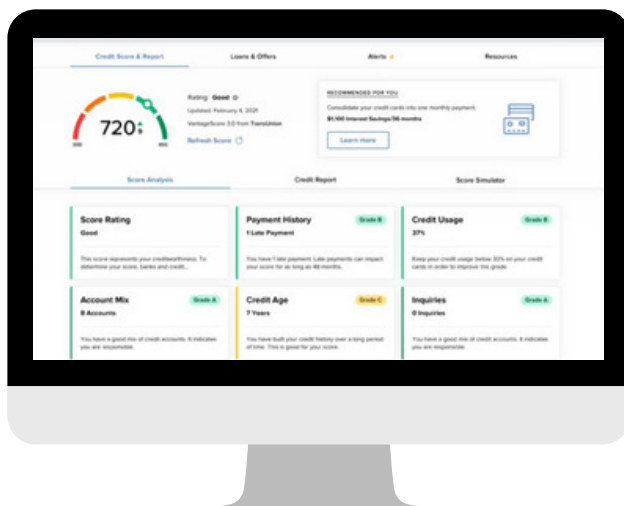

## Bill Pay

Pay bills and set up new vendors to pay using the new Bill Pay service. Select *Pay My Bills* to get started.

## CreditSense

View and access your credit score in real-time, view a full credit report and more. CreditSense is available in both Mobile and Online Banking for consumers only.

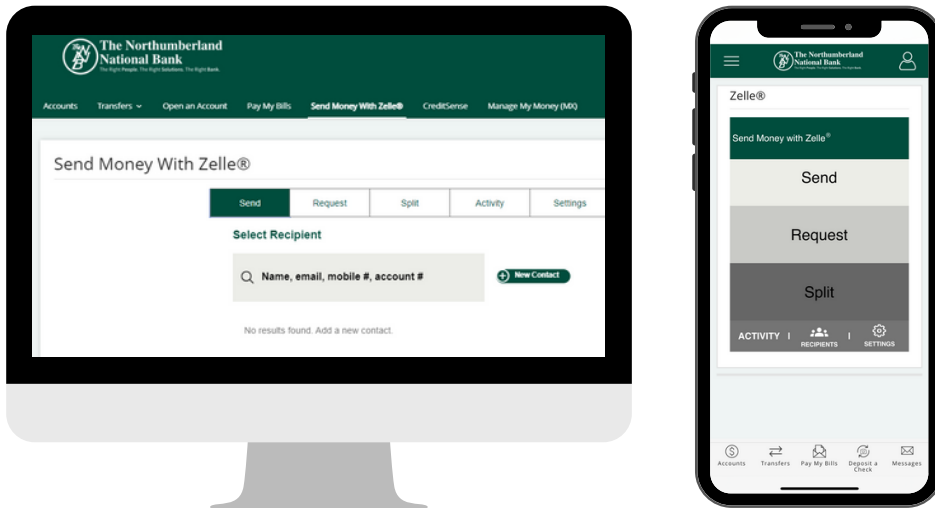

To deactivate your CreditSense account:

- log into your Mobile or Online Banking
- Click CreditSense
- Click Resources
- Click "View Now" under Profile Settings
- Scroll down and click "Deactivate Credit Score Account"

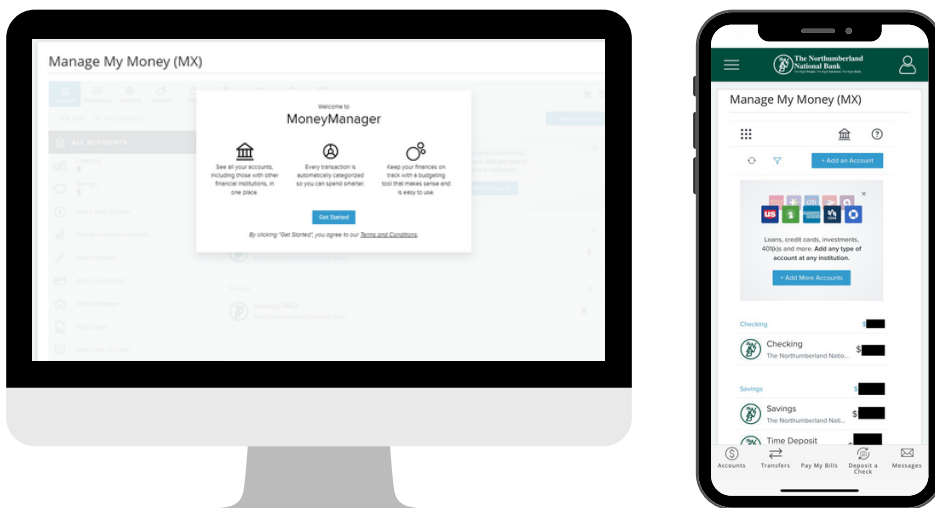

## Zelle®

Send and receive money with Zelle®. With Zelle®, it's fast, safe and easy to send money to friends and family directly from your account. Zelle® is available for consumers in Online Banking or our Mobile App.

## Manage My Money (MX) | Personal Financial Management

With our software upgrade, you have access to a personal financial management tool. Add and view accounts from other financial institutions for a full financial picture to help you manage your money and create a budget. Consumers can click on *Manage My Money* in Online and Mobile Banking.

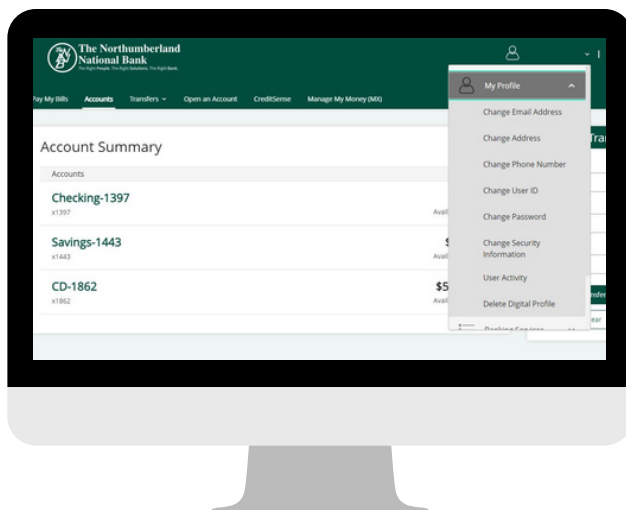

## Mobile Deposit

Skip the trip to the bank and deposit checks anytime from anywhere with mobile deposit through the Norry Bank Mobile App.

## Self-Service Center

Access the Self-Service Center by clicking your name or the person icon in the top right corner of your device's screen. The Self-Service Center is where you can change or update your email address, mailing address, phone number, User ID and/or password.

## Account Alerts

Request and receive messages about your account(s) via email and/or a registered mobile device. Consumers and businesses can set up account alerts in Online and Mobile Banking through the Banking Services menu.

## Secure Messages

Send and receive secure messages through Online and Mobile Banking. You can select a category and a specific account that you have a question or need help with. All messages are sent securely to Norry Bank.
